SATURDAY, JANUARY 25, 1896.

So far there are about four candidates out for each of the county offices in this county.

They have several cases of small pox at Bird's Point, and Cairo has quarantined against this side of the river.

Cleveland's growl at the British lion is a bid for a third term, but this time the Republicans will furnish the substitute.

We have no time to waste on that cranky cock-eyed Irishman who has been trying for months to get us to notice him.

The Sheriff of Wayne county has control of the Greenville Journal. He has about twelve columns of tax sales running in that paper.

There are two Democrats after the Jackson post office—Joe Schmucke and Dr. Miller and the prospects for a lively fight are good.

Dr. S. S. Harris will probably be the Democratic candidate for the Legislature. Dr. Harris is a well known man and he will pole the full strength of his party vote.

Judge Riley is trying the Wear case at Poplar Bluff this week. The young man who is charged with murder will surely have an impartial trial at the hands of Judge Riley.

The war cloud is hovering over us and the indications are that the boys in blue will be called out to march to the front. If called upon Cape Girardeau county will furnish her share of braves.

The St. Mary's Progress has suspended publication for the want of patronage enough to pay expenses. There are still two papers in Perry county and they can supply all the politics necessary.

Young Wear has been taken back to St. Louis where his habeas corpus case will be heard in the Court of Appeals. His lawyers are making a desperate effort to have him released from custody.

The Billings Bee is booming Webster Davis, Mayor of Kansas City, for Governor. Mr. Davis is a man of brains and he is well known to the people of Missouri, having traveled over the State with Major Warner when he made the race for Governor.

The Republican National Convention which will be held in St. Louis on the 16th of June will probably be held in a \$30,000 wigwam. The committee that is arranging for the convention has employed an architect to get up the plans for the wigwam.

The Missouri Pacific Railroad is declining to issue transportation to newspapers that have ever said anything uncomplimentary of the management of that road. The DEMOCRAT is one of the papers that is blacklisted.

The Duestrow trial at Union, Missouri, is attracting the attention of medical men and lawyers all over the country. Duestrow's lawyers are making a desperate effort to save the neck of their client by trying to make the jury believe he is insane.

Joseph Albus, city treasurer of St. Joseph, is a Republican candidate for State Treasurer. Mr. Albus has held many offices of trust. He has twice been elected city treasurer of St. Joseph and he is a polished gentleman who is well qualified for the office he seeks.

If Uncle Sam and John Bull lock horns the young generation will learn what the old veterans are drawing pensions for. The money they are receiving was earned on the field of battle and the young generation may have to earn some money the same way.

Candidates for office in this county are rushing to the front. So far there are about four candidates announced for each and every office. It is generally understood that it is the early bird that catches the worm but where there are so many birds the worms will not hold out.

There are too many men in this county wanting office. There are not offices enough to go round and somebody must have modesty enough to stand back. It won't do for everybody to want to run for office. Officers have to be paid and there must be people left out of office to do the paying.

Cape Girardeau city is entitled to the next representative in the Legislature and we have our eye on the man who is entitled to the office.

The Sheriff of New Madrid county is in St. Louis taking in the town. Robert is well known in St. Louis and while in the city he is one of the boys.

Hubble township will ask for four or five county offices this year. That is asking too much. Other townships will want something.

John A. Snider will have an opponent this year for the Republican nomination. R. M. Sawyer, we are informed will be a candidate for Prosecuting Attorney.

Mayor Walbridge of St. Louis is a candidate for Governor. Mr. Walbridge is a popular man and he will go into the Republican convention with a strong backing.

Gov. Stone and ex-Gov. Francis will attend the Democratic National Convention with daggers up their sleeves. Stone will lead the Free Silver mob and Francis command the Sound Money crowd.

The case of Charles A. Wear is one of the most complicated murder cases in the history of the country. Judge Wear is an able lawyer and he is a man who will take every advantage of the tricks in law to save his son.

Jeff Storts who was recently convicted in the St. Louis Criminal Court of robbing a man of five hundred dollars and sentenced two years in the penitentiary took an appeal to the Supreme Court and is now out on bond.

The Ironton Register is the leading free silver paper in this section of the State. Bro. Ake is a hard hitter and he is always swinging his club at ex-Gov. Francis and the editorial staff of the St. Louis Republic.

Judge Miller is a candidate for the Legislature in Bollinger county. Judge Miller is a Republican—every inch of him. He is a popular man and the Republicans of old Bollinger can do no better than to give him the nomination and then elect him.

A few years ago the Republicans had a hard time to find men who would accept a nomination for a State office. Not so now. Nearly every county in the State now has a Republican candidate for some State office. The result of the last election brought about the change.

Mosses Whybark will not be a candidate for Congress this year. Mr. Whybark missed the opportunity of his life when he declined the Republican nomination at the last election and that has retired him for a while, at least.

Hon. Marshall Arnold, we are informed, will be a candidate for Congress again. Mr. Arnold is too good for the party to which he belongs. He is a Democrat of course, but he is not a cuckoo. He has ideas of his own and his ideas are for a purer, cleaner party than the present Democratic party.

There ought to be a speedy way to reach and oust a blackguard who besmirches the judicial bench in the manner practiced by Judge David Murphy of St. Louis. His foul tongue ran out last Friday afternoon against a private citizen who was in his court room while the judicial tough had around him an armed body of deputy sheriffs to shoot the object of the judge's wrath. No more infamous act has ever come from the bench in Missouri.—Springfield Leader-Democrat.
